

Kollázs

11. évfolyam

A kubista festészet megismerése után kollázst készítettek a diákok.

Maros Angyal 11.c

A collage featuring three blue butterflies and a pink flower on a background of old, handwritten text. The butterflies are positioned in the upper left, upper right, and lower left. The pink flower is in the lower right. The background is a dense, overlapping layer of text in various colors (black, red, blue, green) and fonts, creating a textured, aged appearance. The text is mostly in Hungarian and appears to be from various historical or literary sources.

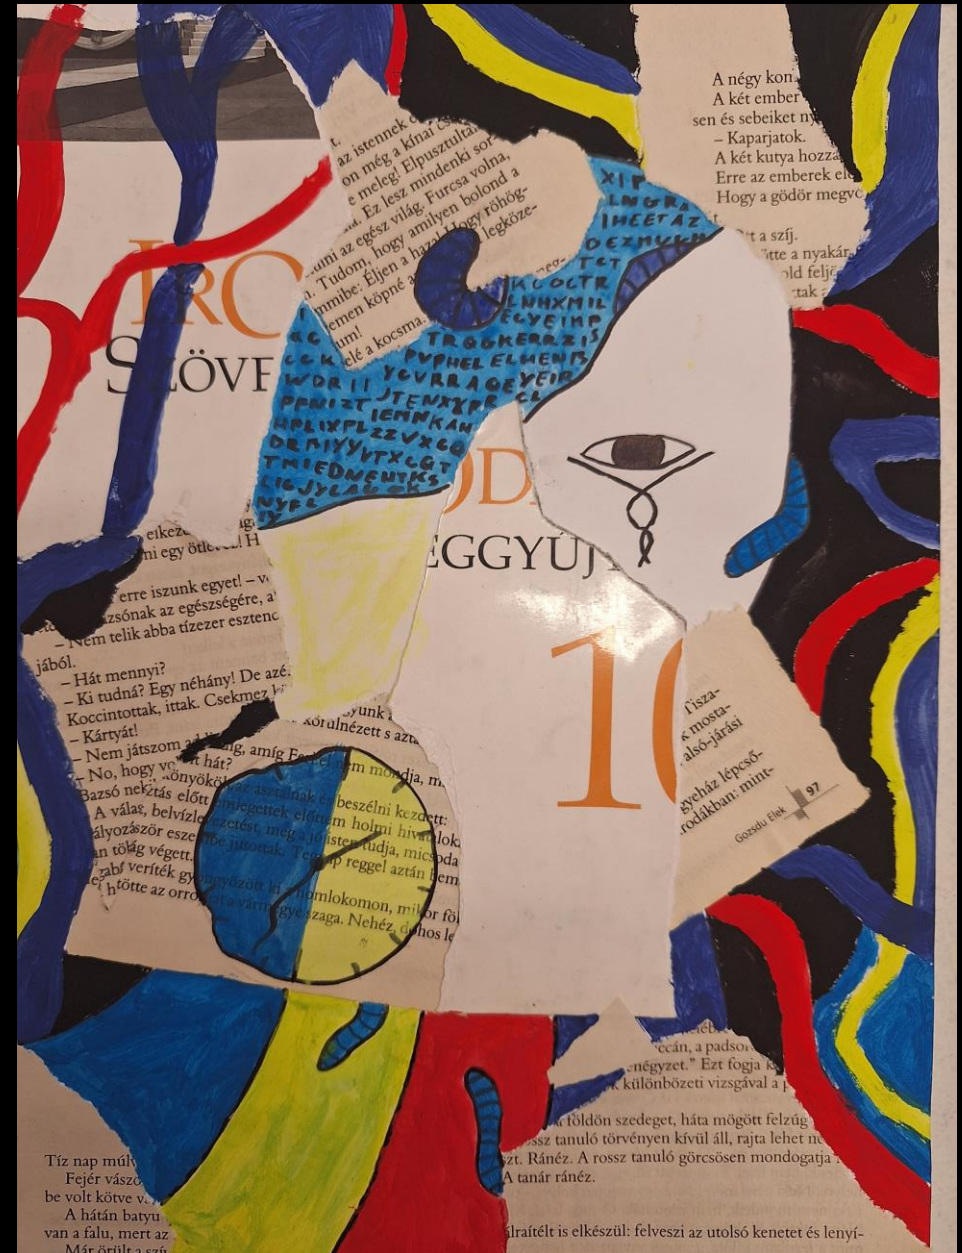

Borza Panna 11.c
